

# ASHFORD TERRACE

## Parking Rules

1. Only guests are allowed to park in guest parking spaces at the front of the community, the three guest parking spaces in front of the mailboxes, the four guest parking spaces north of the common walk area and the four guest parking spaces south of the common walk area. Do not block the entrance to the guest parking areas. Do not park in striped area in front of the mailboxes. Do not park in the striped foot path space to the north of the common walk area and also do not park in the striped foot path space to the south of the common walk area. Any vehicle that is parked in the same spot longer than 48 hours is subject to tow.
2. Any vehicles parked in a red tow/fire zone will be towed out of the community. Do not block north and south fire hydrants.
3. Any vehicles blocking the road or other person's driveway can be towed.
4. Owners must park cars in the garage or off property.
5. If you wish to park outside of the home both of the driver side tires, or passenger side tires must be on the driveway. If just the front tires or back tires are on the driveway your vehicle may be towed for blocking the road. See attached pictures for clarification.
6. Any vehicles parked on grass will be towed.
7. Any vehicles with out-of-date stickers flat tires or inoperable cars will be towed off property.

**Vehicles parked like the ones below will be towed** the car next to the truck in the street first picture and all three cars in second picture with front/back wheels on driveways will be towed

**The image below is how every vehicle needs to park if you do not want your vehicle towed.**
